Management's Discussion and Analysis

As per SEBI disclosure regulations 34 and (SCHEDULE-V)

(For the Financial Year ended 31st March, 2020)

SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the listing Agreement stipulates disclosure under specific heads which are given in the following paragraphs and which continue to be followed in the usual course of the Company's business over the years in discussion amongst the Directors and other Senior Management Personnel.

a. Industry Structure and Developments

Financial Year 2019-20 was year of challenges marked by economic robustness and possibilities of upward growth in Transport Sector in India.

Revenue from operation increased by 80.64% to 9843978 hundreds for the year as against 5449281 hundred of the previous year, PBDIT increased by 76.5% to 367398 hundred for the year as against 208076 hundred of the previous year. Profit before tax increased by 58.01% to 177293 hundred for the year as against 112200 hundred of the previous year. Net Profit rise by 144.13 % to 192709 hundred for the year as against 78935 hundred of the previous year

b. Opportunities and Threats: Logistics:

a) Opportunities

Highly Competitive Conditions inherent in industry and the company's ability to compete. Contemporary economic processes have been accompanied by a significant increase in mobility and high levels of accessibility .Societies have become increasingly dependent on their transport system to support wide variety of activities ranging among others from supplying energy needs to distributing parts between manufacturing facilities and distributing centers.

Credit risk is considered to be low and not overly concentrated due to the strength, diversity and long standing relation with its customer base. India's transport contributes in growth of industries whose product requires quick marketing. Government's initiative like development of SEZ logistics parks, infrastructure, building, privatization of transport operations, implementing PPP models etc will encourage private sector investments and lead to greater demand for logistics services.

b) Threats:

Adverse weather conditions that impede the movement of the bulk materials. This also increases BTL's operating cost .This reduces consignee's requirement. The industry is becoming more competitive with strategic maneuver of companies. Outsourcing solutions in transportation and logistics industry is threat. Smaller companies would continue to be adversely impacted due to low demand for road freight during the slowdown. The company is unable to revise freight rates having an impact on Company's

profitability.

- **Opportunities and Threats: Travel & Tourism:**

- a) Opportunities**

The promotion and aggressive marketing measures undertaken by the government is expected to aid influx of tourists. The industry would also benefit from introduction of new forms of tourism and development of niche segments. Opportunities also exist in ecotourism, adventure tourism, and cruise tourism. Eco-tourism is increasing in popularity, evident in the development of eco-friendly hotels and tour packages. With increasing environment awareness and consciousness among tourists and given efforts undertaken by the government and private players, the ecotourism segment is expected to record handsome growth in the coming years.

- b) Threats:**

For inbound international tourists, visa procedures are seen as a hindrance. Security has been a major problem as well for growth of tourism for a number of years. Terrorist attacks or political unrest in different parts of the world and within country have adversely affected sentiments of tourists.

- c. Risks and Concerns:**

- Risks:**

- ❖ Competition from other players
 - ❖ Exchange Fluctuation
 - ❖ Hike in Fuel Prices

- Concerns:**

- ❖ Government Polices
 - ❖ Bad weather Conditions

- d. Outlook:**

The demand for transport is linked to overall health of Indian economy. As a result significant change in the economy could affect the company's performance. The company continues to focus on bulk hauling niche. The company has mitigated risk through customer base diversification.

Your Company will continue to focus on both development and expansion of markets and share gains as appropriate to secure competitive growth. Supply Chain Security & Risk Management will be a key area to prevent disruptions due to factors like weather, labour issues.

e. Discussion of Financial Performance:

This has been adequately stated in the Directors' Report.

f. Segment Wise Performance:

The performance in Logistics / Travel Segment has been very encouraging in spite of the global challenge. The company's current year turnover in this segment is Rs. 7669136 hundred as against Rs. 3567293 hundred in the previous year, showing a rise of 114.98%

The performance of trading segment is Rs. 2174842 hundred as against Rs. 1881988 hundred in the previous year, showing a downfall of 31.5 %.

g. Material Developments in Human Resources

Your company strongly believes that its intrinsic strength lies in the quality of its pool of dedicated and motivated employees. All the success so far achieved by Balurghat Technologies Limited is mainly on their account. Management remains confident of the ability of our company employees to stand up to the business expectations in various scenarios and serve the Company satisfactorily in the days to come.

Redressal of Investor Grievances: Low volume turnover hardly provides scope of any routine activity in this area; hence the primary responsibility for redressal activities had been entrusted upon the RTA backed by the Compliance Officer under the supervision and control of Share Committee. The Nature of Complaints were mainly the delay in receipt of share certificates as most of the shareholders misinterpreted the Option letters sent by the RTA following registration of transfer.

BALURGHAT TECHNOLOGIES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **BALURGHAT TECHNOLOGIES LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These

matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of BALURGHAT TECHNOLOGIES LIMITED (the “Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

- i. In respect of the Company's fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the standalone financial statements, the lease agreements are in the name of the Company.
- ii. The Company is in the business of providing transport and allied services accordingly, reporting under clause 3 (ii) of the Order is applicable to the Company. The company has maintained inventory records to give a true and fair view.
- iii. According to the information and explanations given to us, the Company has not granted unsecured loans
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2020 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the order is not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material

statutory dues in arrears as at March 31, 2020 for a period of more than six months from the date they became payable.

- (c) Details of dues of Income Tax, Sales Tax, Service Tax, Excise Duty and Value Added Tax which have not been deposited as at March 31, 2020 on account of dispute are given below:

Nature of the statute	Nature of dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount (₹)
The Commissioner EPF Eastern Region Kolkata	EPF Interest & Penalty	EPF Appellate Tribunal, Delhi	1998-99 to 2002-03	12,50,404
The Deputy Commissioner of Tax	Income Tax Demand	Appeal Pending with Commissioner of Appeals	A.Y. 2018-19	13,45,563

- (d) The Company has not defaulted for repayment of any loans or borrowings from financial institutions, banks but not from government and has not issued any debentures.
- viii. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans during the year and hence reporting under clause 3 (ix) of the Order is not applicable to the Company.
- ix. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- x. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xi. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiii. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xiv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons

connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

- xv. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Accounting policy:

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents. Amendment to Ind AS 7

Effective April 1, 2017, the Company adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The adoption of the amendment did not have any material impact on the financial statements.

SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31.03.2020

Note 24:

Transition to Ind AS

This is the Division's third financial statements prepared in accordance with Ind AS.

Basis of Preparation and Presentation

The standalone financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015. The standalone financial statements have been prepared on the historical cost basis.

Recent accounting pronouncements:

The Indian Accounting Standard (Ind AS) 115, Revenue from Contracts with Customers is applicable from FY 2018-19, the management believes that the adoption of Ind AS 115 does not have any significant impact on the standalone financial statement. The management believes that the adoption of amendment to Ind AS 21, Foreign currency transactions and advance consideration and amendment to Ind AS 12 Income Taxes does not have any significant impact on the standalone financial statements. The amendment to Ind AS 40, Investment Property is not applicable.

A.1 Ind AS optional exemptions

Ind AS 101 provides the option to apply following exemptions:

- (i) Business combination
- (ii) Prospective application of Ind AS 21 to business combination
- (iii) Cumulative translation differences
- (iv) Deemed cost
- (v) Designation of previously recognized financial instruments
- (vi) Leases
- (vii) Joint Ventures

The above the optional exemptions as mentioned above are not applicable to the division and hence not applied by the Division

A.2 Ind AS mandatory exceptions

Ind AS 101 provides the following mandatory exceptions:

- (i) Hedge accounting
- (ii) Estimates
- (iii) Non-controlling interests
- (iv) De-recognition of financial assets and liabilities
- (v) Classification and measurement of financial assets

The mandatory exceptions are not applicable to the company and hence not applied by Division

A.2.1 Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS

B. Current versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash

equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Fair value of financial Assets and Liabilities

The company has receivables and payables that are non-derivative financial instruments. Under previous GAAP, these were carried at transactions cost less allowances for impairment, if any. Under IND AS, these are financial assets and liabilities are initially recognized at fair value and subsequently measured at amortised cost, less allowances for impairment, if any. For transaction entered into on or after the date of transition to IND AS, the requirement of initial recognition at fair value is applied prospectively.

C.2 Other comprehensive income

Under Ind AS, all items of income and expenses recognized in a year should be included in profit or loss for the year, unless a standard requires or permits otherwise. Items of income and expense that are not recognized in profit or loss but are shown in the statement of profit and loss as “other comprehensive income” includes re-measurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.

Note: 25:

These Financial statements has been approved by Board of Directors of the Company on 06th July, 2020 for issue to the shareholders for their adoption

Note 26:

Capital Management

For the purpose of the Company’s capital management, capital includes issued equity capital and all other equity, reserves attributable to the equity holders of the Company. The primary objective of the Company’s capital management is to maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

The company is not subject to any externally imposed capital requirements.

	31.3.2020	31.03.2019	31.03.2018
Capital	11,49,283	9,53,906	8,74,047
Long term Debts	9,45,910	3,22,753	2,76,972
Gearing ratio	45.14%	40.90%	66.41%

Note 27:

Significant Accounting Judgments, Estimates and Assumptions

The preparation of the Division’s financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

27.1 Judgments

27.1.i. Carrying cost as deemed cost for property plant & equipment

The Division has opted for carrying cost as the deemed cost as on the date of transition.

27.1.ii. Depreciation/Amortization of and impairment loss on property Plant and equipment/Intangible Assets

Property, Plant and equipment are depreciated and intangible assets are amortized on straight line basis over the estimated useful lives (or Lease Term of Shorter) in accordance with schedule II of the company’s act 2013, taking into account the estimated residual value, wherever applicable. The company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation/ amortization expense to be recorded during any recording period. This reassessment may result in change in depreciation expense in future periods. The company has opted out from fair market valuation method for all of its fixed assets.

The Company reviews its carrying value of its tangible and intangible assets whenever there is objective evidence that the assets are impaired. The required level of impairment losses to be made is estimated by reference to the estimated value in use or recoverable amount

27.1.iii. Impairment loss on trade receivables:

The Company evaluated whether there is any objective evidence that trade receivable are impaired and determines the

amount of impairment loss as a result of the inability of the debtors to make required payments. The Company bases the estimates on the ageing of the trade receivable balances, creditworthiness of the trade receivables and historical written off experience. If the financial conditions of the trade receivables were to deteriorate, actual write-offs would be higher than estimated.

27.2 Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

27.2.i. Defined benefits plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefits obligation is highly sensitive to changes in these assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate in determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases are based on expected future inflation rates.

27.2.ii. Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active market, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

27.3 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to credit risks. The company primarily derives its income from transportation of goods, and tourism and sell of fuel through petrol pump.

i) Transportation of Goods:

Under transportation services, the principal service is related to customer contracts for warehousing activities. Based on the customer contracts, income is recognized when services are rendered, the amount of revenue can be reliably measured, and in all probability, the economic benefits from the transaction will flow to the company. Where necessary, single transactions are split into separately identifiable components to reflect the substance of the transaction. Conversely, two or more transactions may be considered together for revenue recognition purposes, where the commercial effect cannot be understood without reference to the series of transactions as a whole.

ii) Sale of fuel through petrol pump

Income from sale of power is recognized on transfer of significant risks and rewards of ownership to the buyer which is when delivered, and measured on cash basis based on the prevailing market rates

iii) Tourism:

Income from tourism is recognized on the basis of actual room bookings received from customers and on completion of related services rendered to the customers.

Other Income:

iv) Other Income includes the following:

- a) Interest Income :

Interest income on fixed deposits is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Extraordinary Income

v) Profit on land acquisition:

During the year a plot of land costing Rs. 104,233/- was compulsorily acquired by NHAI under The ACT for Rs.76,49,842/-. The difference amount being the profit on acquisition of such land has been shown under other income.

27.4 Inventories

Inventories are valued at the lower of cost and net realizable value. Cost of inventories includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

27.5 Income Tax

Tax expense recognized in profit or loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

27.6 Cash and Cash Equivalents

Cash and cash equivalents comprise cash in hand, demand deposits with banks/corporations and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

27.7 Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

27.8 Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Claims pending before the courts of law have not been provide in the books as the management is reasonably certain that such claims will not materialize. The estimated amount of such claims aggregates to Rs. 29, 78,575

In respect of fines and penalties imposed by the Provident Fund Authorities, due to delayed submission in depositing monthly contributions, the management believes that genuine grounds for such delay has been established and relief will be granted in favour of the company.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

27.9 Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Note 28:

Financial Risk Management

The Company's financial liabilities comprise trade and other payables. The Company's financial assets include cash and cash equivalents.

The Company is exposed to market risk credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short-term debt obligations with interest rates.

(ii) Equity Price Risk

a. Credit risks

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities, including deposits with banks and companies and other financial instruments.

b. Liquidity Risk

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operation. The Company believes that the working capital and future business strategies are sufficient to meet its current requirements. Accordingly risk is perceived

Note 29:

Segment Reporting

This Accounting Standard shall apply to companies to which Indian Accounting Standards (Ind. ASs) notified under the Companies Act apply. If an entity that is not required to apply this Indian Accounting Standard chooses to disclose information about segments that does not comply with this Indian Accounting Standard; it shall not describe the information as segment information.

An operating segment is a component of an entity: that engages in business activities from which it may earn revenues and incur expenses (including revenues and expenses relating to transactions with other components of the same entity). Whose operating results are regularly reviewed by the entity's chief operating decision market (CODM) to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available. An operating segment may engage in business activities for which it has yet to earn revenues, for example, start-up operations may be operating segments before earning revenues.

Quantitative thresholds:

An entity shall report separately information about an operating segment that meets any of the following-quantitative-thresholds:

- a) Its reported revenue, including both sales to external customers and intersegment sales or transfers, is 10 per cent or more of the combined revenue, internal and external, of all operating-segments.
- b) The absolute amount of its reported profit or loss is 10 per cent or more of the greater, in absolute amount, of
 - I. the combined reported profit of all operating segments that did not report a loss and
 - II. the combined reported loss of all operating segments that reported a loss.
- c) Its assets are 10 per cent or more of the combined assets of all operating segments.

The absolute amount of its reported profit or loss is 10 per cent or more of the greater, in absolute amount, of

- (i) the combined reported profit of all operating segments that did not report a loss and
- (ii) the combined reported loss of all operating segments that reported a loss.
- (iii) Its assets are 10 per cent or more of the combined assets of all operating segments.
